We are going to Groundswell

Are you going to Groundswell this year? Sam and Lizzie will be there both days. Come and find our stand - D30, next to the herbal ley,

At 11am on Day 1 at the FarmED stand (B10 in the Pasture Field) there will be a Herbal Ley Clinic and in the evening at 7pm at Speaker's Corner, we will be at the Soil Farmer of the Year Award, which we have sponsored again this year. The national Soil farmer of the Year competition aims to find the best farmers and growers who are engaged with and passionate about managing their soils.
