Type Fixed Term

Salary £10.50 per hour 18+ / £8.50 per hour under 18

Job Description

Cotswold Seeds is an independent family-run company, based in Moreton-in-Marsh, that now works with over 18,000 farmers across the UK, supplying seeds for everything from green manures, cover crops and herbal leys to dual purpose long term leys and silage mixtures. As a warehouse crew member, you will be on the frontline of our mixing and processing operation, responsible for ensuring that seed orders are mixed and packed for delivery in a timely manner. This role reports direct to the Production Manager.

Key Responsibilities

- Daily processing of seed mixtures through the mixing plant
- Picking orders for mixing as they are assigned by the Production Manager
- Packing, weighing, sealing and labelling bags accurately
- Stacking pallets for collection by courier or delivered by van
- Wrapping of pallets and accurate labelling before dispatch
- Keeping warehouse tidy and free from rubbish
- Aiding with packing and delivery of logs (September/October)
- Full training will be provided.

Key Requirements

- Ability to lift up to 30kg, unaided
- Ability to work longer shifts in busy periods
- Ideally hold a valid driving license
- Fluency in English
- Good mental arithmetic skills
