LegumeLegacy News

The latest newsletter from the LegumeLegacy team includes information about:

- Successful training event in Zurich
- Interdisciplinary training for the doctoral researchers
- Field Excursion and farming in Switzerland
- The cultivars of LegumeLegacy

LegumeLegacy is a Marie Skłodowska-Curie Doctoral Network titled 'LegumeLegacy – Optimising multiple benefits of grass, legume and herb mixtures in crop rotations: modelling mechanisms and legacy effects'. It is funded under the Horizon-MSCA-DN-2021 programme. This project brings together Principal Investigators and collaborators from 14 academic and industry partners from across Europe and one Canadian partner.
