

See You at Moreton Show?

We are at the Moreton Show this weekend - Saturday 7th September - come and see us! You will find us at Pitch 60 in Zone A. Lizzie and Sam will be there, with some goodies and surprises!

Moreton Show is one of the biggest one-day agricultural shows and is just down the road from Cotswold Seeds. Moreton Show's 165 acre site in the North Cotswolds boasts a vast array of attractions for all the family, from the Shetland Pony Grand National and The Farmers Bloodhounds to the RPM Bike Trials and Sheep Shearing, you won't be short of things to see!

Moreton Show was first held in 1949, on the same site it has occupied ever since - part of the Batsford Estate - although it has been much extended over the years. Its underlying purpose is to improve the standard of farming and farm crafts locally. This zeal for improvement was at the core of the three societies which merged to form the present Moreton-in-Marsh Show Society - the Cotswold Agricultural Society, The Moreton Shire Horse Society and the Moreton-in-Marsh and District Agricultural Society. The date of the first ever show was fixed for Saturday September 3rd and the show has been held in early September ever since. The Show has now grown so large that it attracts visitors from all over the country.

Still time to grab a ticket!
