

Order Your Short Term Root Crops and Grasses Fast

We've all been holding out for a change in the weather, and following the few days of rain, everyone's ordering their seed at the same time, and we've been working flat out to get deliveries out as fast as we can. Short term root crops and short term grasses such as Italian Ryegrass and Westerwold are flying off the shelves, so we'd recommend you order as soon as possible to avoid disappointment.
